However, the Institute was unaware of the process of payment of the process fee to be paid along with the review application. Due to non-payment of the processing fee, the review application could not be uploaded within the stipulated period. After ascertaining the process of payment of the process fee the Institute has paid the requisite process fee on 15/06/2021. Due to this reason, the delay caused in filling the Review Application has been condoned.

Considering the cause assigned and the Institution being newly started, the delay condoned.
