Memorandum of Understanding (MoU)

This Agreement (hereinafter referred to as "MoU") is made at Ch. Sambhajinagar on / / to facilitate and foster the implementation and deployment of National Education Policy (NEP-2020) for the Students, Faculty and Institute Development (hereinafter referred to as "Programme"), between -

SHODH Advantech LLP, a limited liability partnership company incorporated under the Section 12(1) (b) of the LLP Act, 2008 and having its works office at C-36/2, Opp. Lupin Ltd., Chikalthana MIDC, Ch. Sambhajinagar, Maharashtra - 431007 (hereinafter referred to as "SHODH" which expression shall unless repugnant to the context or meaning thereof be deemed to include its successors, legal representatives and assigns) of the One Part.

AND

RSM'S N.N. Sattha college of pharmacy, A' Nagar (hereinafter referred to as "Institute" which expression shall mean and include all its administrators, assignees, agents, successors and legal representatives) of the Other Part. Students enrolled and studying various courses with the "Institute", hereinafter will be referred to as "Student".

SHODH Advantech LLP, Ch. Sambhajinagar (Aurangabad) is a qualified and a competent organization and a subject expert in this domain, RSM'S N.N. Sattha college of pharmacy, A' Nagar, Maharashtra is affiliated to DBATU, Lonere University in INDIA, hereby agree to promote student development, academic exchange and research cooperation between the two parties.

Aims and Objectives of proposed MoU with a focus on NEP 2020 implementation:

1. To share infrastructure for student and faculty development.
2. To develop and generate employability in students and offer opportunities.
3. To promote capacity building among Students and Faculties.
4. To excel in acquisition of knowledge and its dissemination.
5. To share human resources/expertise and skills as desired by the industry.
6. To promote scientific temperament among the students and community.
7. To share the research activity and research trainings.
8. To foster Center of Skill Excellence (CoSE) for greater benefit of students and institution.

Area of Interest:

1. Capacity building among students of this Institute by completing value add-on Certifications under Gol's Ministry of Skill Development and Entrepreneurship - Skill India initiative, conducted by SHODH to improve employability quotient.
2. Introduce other credible national and global certifications deemed necessary for students in emerging domains like - Data Sciences, Analytics, and Management etc.
3. Industrial visit to specialized Analytical Research Center of SHODH by students of this Institute for acquisition of knowledge and promotion of awareness and scientific temperament deemed mandatory as a part of academic fulfillment.

4. Faculty Development by mutual sharing of academic expertise and joint research programs.

1. Student Capacity Building under National and Global Certifications:

- 1.1. Certifications: Train and qualify students on short term and long-term skill-based courses like Quality Control, Analytical Research techniques, Quality Assurance, Manufacturing, Regulatory Affairs, Clinical Research and others
- 1.2. Offer specialized support for analysis of drugs, drug Intermediates and Instrumentation in Chemical Analysis for the Institute students by SHODH on mutually agreed administrative charges.
- 1.3. Generate skill based short term course content in collaboration with the Institute to sensitize students on industry expectations.
- 1.4. Permission by SHODH to allow visit of students to Analytical Laboratory for awareness and promotion of interest.
- 1.5. SHODH faculty can extend technical expertise for setting up of laboratories for Analytical Chemistry.

2. Mutual Sharing of Academic Expertise:

- 2.1. Need-based faculty sharing for delivering lectures on special topics on some mutually agreed minimum remuneration.
- 2.2. SHODH staff can deliver talk to Institute students at post graduate and under graduate level and to students registered for research.

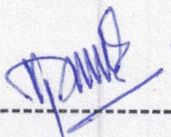

3. Faculty Development:

- 3.1. Research: Access to faculty members of the Institute to SHODH's advanced research lab.
- 3.2. Permission to faculty members of the Institute to use SHODH's laboratory instruments for analysis on payment of fees (to cover recurring expenses).
- 3.3. Joint research programs between SHODH and Institute faculty.
- 3.4. Student registering for Ph.D. can be jointly guided by faculty from SHODH and the Institute.

This MoU will give an impetus to faculty development and will immensely benefit the students in their capacity building along with collaborative Research activities with far reaching results. The MoU will provide both the parties to fulfill their social obligations through the outreach activities.

To ensure the right applicability and functionality of this MoU, minimum of one joint activity is mandated within **3 months (Three months)** from the date of signing of this MoU. Either of the parties failing/ disagreeing to do so will naturally lead to pre-mature termination of the MoU.

This agreement shall be effective for the period of **one (01) year** from / / to / / 2025. Any renewal of revision or termination of the agreement shall be discussed by the representatives of both parties two months prior to the end of the current period.
